

Information

HaDerekh Youth, a division of Devar Emet Messianic Jewish Outreach, focuses on meeting the spiritual needs of teens and young adults in the Jewish community at large as well as to provide spiritual mentoring for Messianic Jewish youth, in order to grow faith in Yeshua as Messiah and encourage Jewish identity. Currently, HaDerekh Youth sponsors three annual programs — the Summer Aliyah, Winter Aliyah, and Israel Aliyah.

"Aliyah" means to GO UP

In the Scriptures we often see individuals take time to go up to meet G-d for periods of rest, instruction, and preparation. In the same way, we intend our Aliyot ("Aliyah" plural) to be times of spiritual renewal and preparation for Messianic Jewish teens so that, when they do return to their congregations and communities, they are more prepared to live out their faith in Messiah Yeshua with passion and effectiveness.

John 14:6

The word HaDerekh, "The Way", comes from John 14:6, where Messiah Yeshua declares himself to be the only right path to a right relationship with G-d. We believe this to be Truth, and offer our programs as a means to encourage this belief!
